*The apartments are not standardized for the reception of people with disabilities, they are however on the ground floor and have large rooms. For more information, photos are available on the Alpvision Residences agency website.

IMPORTANT: When booking the lesson, please send us the following information: surname, first name, age, weight, height, type of disability, email address and telephone number of the accompanying person.

THE DAY OF THE ACTIVITY

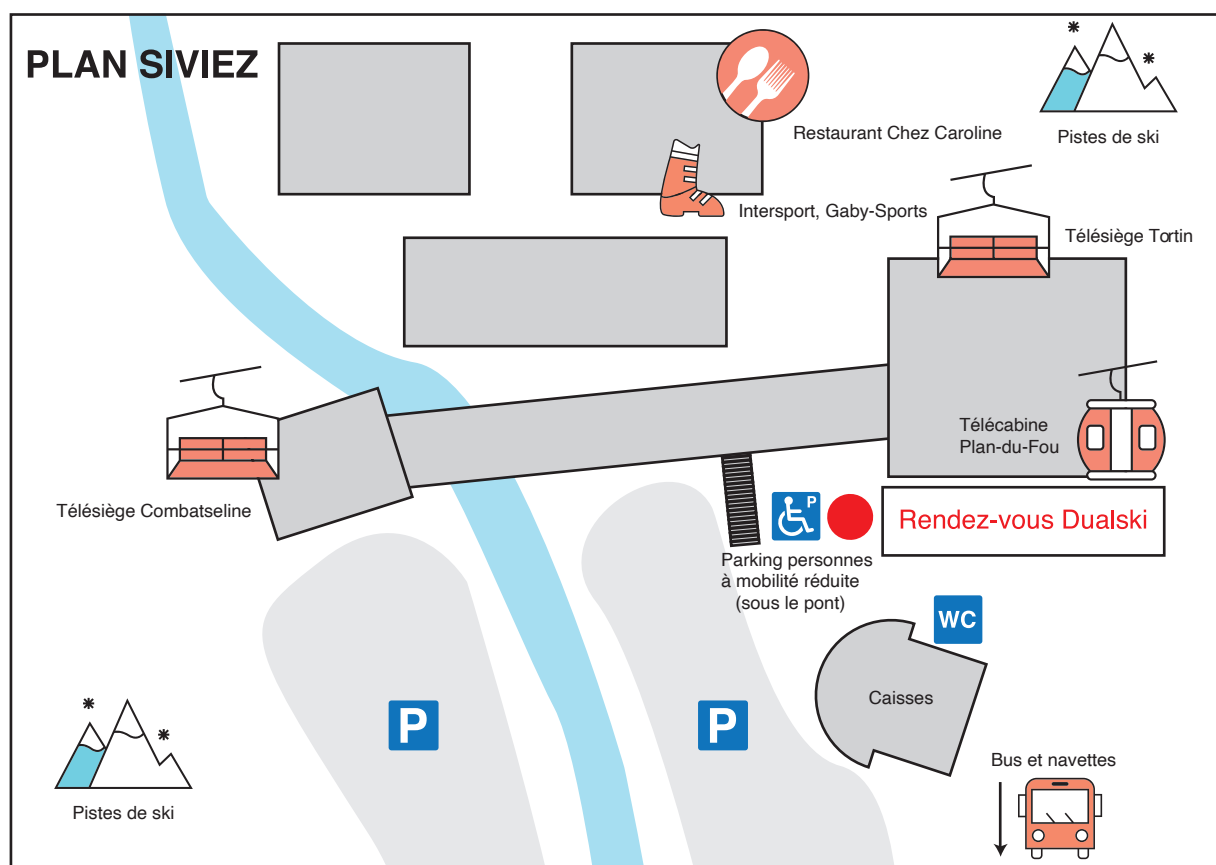

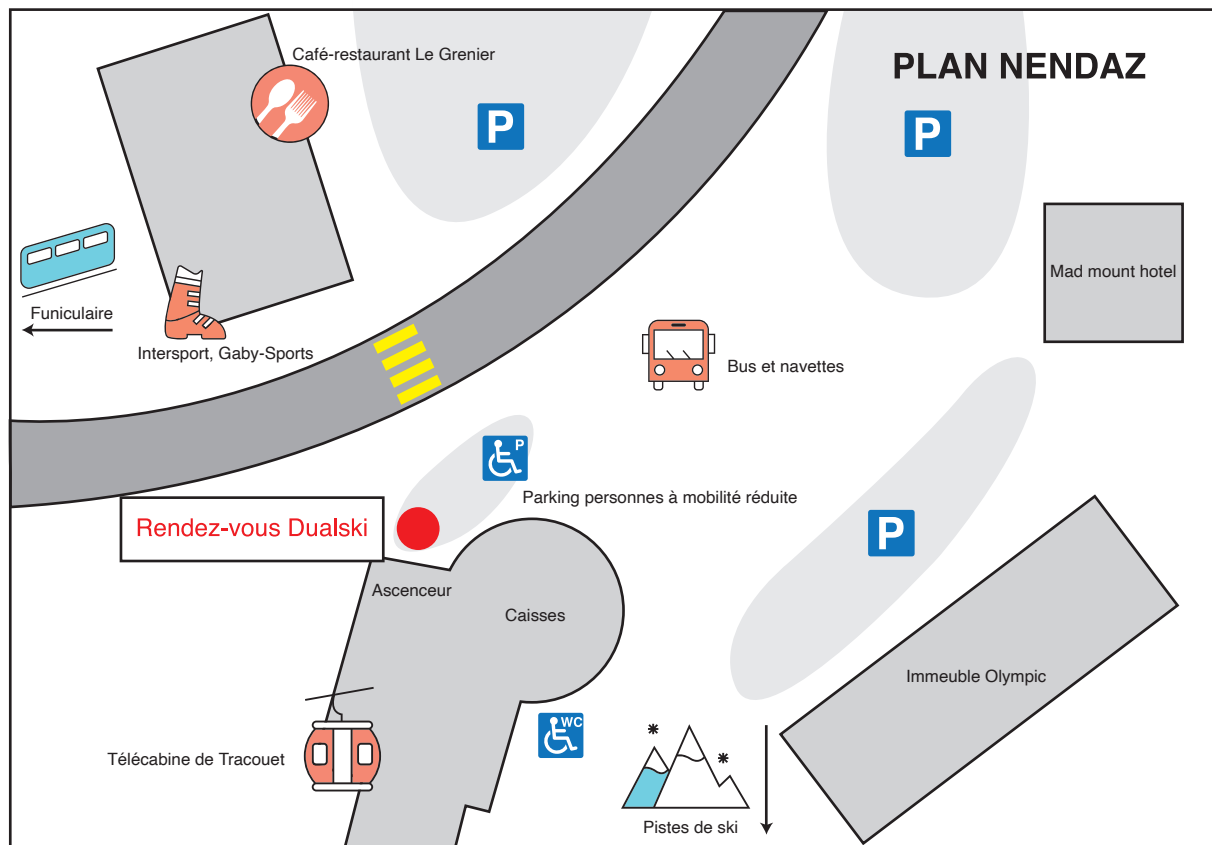

Gears to take with you:

- warm clothes (ski suit)
- gloves
- warm and waterproof shoes
- (warmers)

The accompanying person must be fully equipped to ski.

The person sitting in the Dualski can quickly get cold. Better to have too many layers than not enough.

Meet 10 minutes before the start of the activity to get to know each other and to get ready to go.
